

## NOTIFICATION

Dated Quetta, the 2<sup>nd</sup> September 2025

No. SOA (Dev.) 5-7/2014-15 Misc./ 4533-70 In exercise of the powers conferred by Section 4, 5 and 27 (1) & (2) (a to i) of the Balochistan Fertilizer Control Act, 2022 (Act No. III of 2022), the Government of Balochistan is pleased to make the following rules, namely:

### PART -I PRELIMINARY

1. **Short title, extent and commencement:**—
    - (1) These rules may be called the Balochistan Fertilizer Control Rules, 2025 -.
    - (2) These rules shall come into force at once.
  2. **Definitions.**— (1) In these rules, unless there is anything repugnant in the subject, or context, -
    - (a) "Act" means the Balochistan Fertilizer Control Act, 2022 (Act No. III of 2022);
    - (b) "Certificate", means the certificate of registration granted to a person under section 4, sub-section (5) of Section 5, sub-section of 2 (a & b) of section 27 of the Act;
    - (c) "Form" means a form appended to these rules;
    - (d) "Fertilizer Business" means any person, corporation, partnership, sole proprietorship, joint venture, or any other legal entity involved in the sale, storage/stocking and distribution of Fertilizer and Fertilizer Material
    - (e) "Laboratory" means a fertilizer testing laboratory or research institute; set up under sub-section (1) of section 13 of the Act; and
    - (f) "No Objection Certificate" means a Certificate issued by the Director General Agriculture Extension Balochistan or nominated representative for the movement of Fertilizer within the districts and/or from other provinces into Balochistan by registered dealers of Balochistan or other provinces.
- (4) The words and expressions used but not defined in these rules shall have the same meanings as assigned to them in the Act.

**PART-II**  
**REGISTRATION OF FERTILIZER AND FERTILIZER**  
**MATERIAL**

**3. Registration of Fertilizer** – (1) The Registrar shall register the brand(s) of fertilizer after seeking approval of the Fertilizer Registration Committee under sections of 4 and 5 of the Balochistan Fertilizer Control Act, 2022.

(2) **Application for Registration of Fertilizer Brand** ---Application for the registration of brand(s) of fertilizer, to manufacture, sell, offer for sale, hold in stock for sale or advertise shall be made in *Form-1* along with a fee of Rs.200,000/- (Two Hundred Thousand Only) in each case. The registration shall be issued in *Form-2* after testing the fertilizer in the reference laboratory or any fertilizer testing laboratory recognized by the Department, within thirty (30) days of receipt of the application.

(3) The Registration of the Fertilizer Brand shall, unless sooner suspended or canceled by the registration authority, be in force for 5 years from the date of issue and shall be renewed for a further period on an application made on this behalf in *Form-3* subject to payment of the renewal fee Rs.100,000/-, or as prescribed by the Government from time to time.

**PART-III**  
**SALE, STORAGE / STOCKING AND DISTRIBUTION OF FERTILIZER AND**  
**FERTILIZER MATERIAL**

**4. Registration of Fertilizer Business: –**

(1) **Application for Registration of Fertilizer Business** – Application for registration of a fertilizer business by person(s) trained by the provincial government / fertilizer manufacturers for the safe handling, storage, transportation or sale of fertilizer, representing a legal fertilizer business entity such as a person, corporation, partnership, sole proprietorship, joint venture, or any other legal entity etc, shall be made in *Form-4*, given in the schedule appended to these rules, along with a fee of Rs.100,000/- (One Hundred Thousand only).

(2) A Registration for the Fertilizer Business to sell, stock, exhibit for sale, and distribute fertilizer and fertilizer material shall be issued to the fertilizer business in *Form-5* and such a consolidated list will be maintained by the Registrar.

(3) If fertilizer or fertilizer material is sold or stocked for sale in more than one place by the Fertilizer Business, a separate application in *Form-6* shall be made, and a separate Registration of Fertilizer Business shall be issued in *Form-7*, in respect each such place.

(4) Registration of Fertilizer Business to sell fertilizer or fertilizer material shall, unless sooner suspended or cancelled, be in force for two years, from the date of issue and shall be renewed for a further period, on an application made in this behalf in *Form-8*, subject

to payment of the renewal fee as prescribed by the Government from time to time.

(5) Certificate of renewal shall be issued by the Registrar or Fertilizer Registration Committee in *Form-9*.

**5. Condition of Registration of Fertilizer Business:** – A Registered Fertilizer Business shall,-

- (a) sell registered brand(s) of fertilizer/fertilizer material and keep complete detail of transactions such a sale receipt etc. for 12 months from the date of sale;
- (b) provide and maintain an adequate premise for the proper sale and storage of fertilizer and fertilizer material in respect of which Registration of Fertilizer Business has been granted;
- (c) maintain an adequate number of properly trained staff, who have sufficient knowledge regarding the fertilizer or fertilizer material and their use;
- (d) provide necessary training to the sellers, regarding safe storage and use of fertilizer;
- (e) keep the fertilizer in the prescribed package;
- (f) maintain proper storage facility for fertilizer and fertilizer material;
- (g) do not to allow transportation of adulterated / fake fertilizer or fertilizer material;
- (h) sell fertilizer and fertilizer material for agricultural purposes only;
- (i) be registered with FBR for sales tax and income tax and be a tax payer;
- (j) shall not place the fertilizer or fertilizer material with food items like grains, wheat flour, and other edible items etc; and
- (k) strictly follow the procedures set by the department from time to time for the sale and shipment/movement of fertilizer (i) from other provinces into Balochistan, (ii) within the province; and (iii) to other provinces.

**6. Record and its inspection.** – (1) A Registered Fertilizer Business shall keep and maintain record of all purchases, storage and sales relating to fertilizer and fertilizer material which include:

- (a) the date of purchase and sale;
- (b) invoices of the companies / suppliers /importers with their address and contact number from whom the purchases were made and the name, CNIC number, registration numbers, sale price, location of the field/address and contact number of the person to whom the fertilizer was sold;
- (c) the name of the manufacturer; provided that such record shall be preserved for three years from the date of sale of fertilizer and fertilizer material; and
- (d) the quantities of fertilizer / fertilizer material stored in the storage facilities;

(2) The Registered Fertilizer Business shall produce, on demand, all the registers and record maintained under these rules for inspection by an Inspector appointed under the Act. They shall supply the Inspector such information as he may require for the purpose of ascertaining whether the provision of the Act and rules have been observed.

**7. Cancellation and Suspension of Registration Certificate:** – The Registration Certification of a Registered Fertilizer Business is liable to be suspended or cancelled:

- (a) if the Registered Fertilizer Business is found guilty of mal-practice involving adulteration, infringement of patent rights or any other activity repugnant to the Act and rules framed there under;
- (b) if the Registered Fertilizer Business is found to have sold fertilizer at higher prices than prescribed by the manufacturer or company or notified by the registrar;
- (c) if the Registered Fertilizer Business is found involved in unfair trade, transporting, or hoarding of fertilizer, the fertilizer/ fertilizer material shall be confiscated and auctioned at the prescribed rate;
- (d) if the Registered Fertilizer Business fails to provide the procured, sale or inventory data to registrar or its representative; and
- (e) if it contravenes any procedure set by the department for the transportation / movement of fertilizer;

Provided before Registered Fertilizer Business is suspended or cancelled, a show cause notice in writing mentioning reasons for suspension or cancellation is to be served upon him.

**8. Appeal:** – A Registered Fertilizer Business whose Registration of Fertilizer Business has been suspended or canceled may appeal to the Secretary, Government of Balochistan, Agriculture & Cooperatives Department within three months of the date of such suspension and cancellation.

#### **PART-IV** **ADVERTISING OF FERTILIZER OR FERTILIZER MATERIAL**

**9. Condition of Advertising:** - (1) The Registrar may allow the advertisement of fertilizer or fertilizer material, approve the contents of such advertisement and specify the conditions subject to which such advertisement shall be made.

(2) An advertisement may be made through the press subject to the condition that the Registrar may prohibit such advertisement if, in its opinion, the public interest so requires.

(3) The advertisement material shall be presented with courtesy and good words and phrases implying urgency, uniqueness or such expressions which are absolute in character, such, as "the most potent," "the most rapid" and "the most efficacious," etc.

(4) No Registered Fertilizer Business shall in the course of trade or business engage in conduct that are misleading or deceptive.

(5) Sale promotion by false representation that goods and services are of a particular standard quality or grade is an offence.

#### PART-V

##### PACKING AND LABELING

10. **Packing:** - The container of fertilizer or fertilizer material shall be such that it is suitable for its storage and transportation and it shall be made of such material that does not deteriorate its contents.

11. **Labeling:** - No person shall sell or distribute any fertilizer or fertilizer material unless it is labeled in accordance with these rules.

12. **Manner of Labeling:** - The following information shall be printed conspicuously, legibly and indelibly in Urdu, local languages (Balochi, Brahvi, Pushto) or English, on the container or bag as well as on every tag or label attached thereto, namely: -

- (a) Name of fertilizer and fertilizer material;
- (b) Net contents;
- (c) Form of fertilizer nutrients  $\text{NH}_4\text{NO}_3$ , in case of Nitrogen %age of Nitrate ( $\text{NO}_3$ ) or Ammonium ( $\text{NH}_4$ );
- (d) For Liquid fertilizer, Liquid Micronutrient, Growth regulator and organic fertilizer:
  - (a) Date of expiry
  - (b) Batch No. or Lot No.
  - (c) Price
  - (d) Direction of use
  - (e) Date & place of manufacturing/formulation,
  - (f) The name and percentage by weight of plant nutrients,
  - (g) Direction for use (optional) of label for example Muriate of Potash (MOP) may be specified that "Not for tobacco crop", and
  - (h) Distinctive colorful marks are recommended to indicate different fertilizers or fertilizer materials for easy recognition, particularly in areas of illiteracy, the label is also a useful tool for conveying simple message about the fertilizers.

13. **Sale of Fake Fertilizers:** - Manufacturing, mixing, packing, labeling or sale of any type of material such as gypsum or any other material that is given a granular shape or color to resemble a fertilizer or fertilizer material that is not a standard fertilizer shall, be deemed as an offence and punishable under the Act.

#### PART - VI

##### FERTILIZER TESTING LABORATORY

14. **Functions of the Laboratory:** - The following shall be the functions of the laboratory, namely:

- (a) analyze and test such samples of fertilizer or fertilizer material sent to it under the Act or under these rules; and
- (b) to carry out such other duties as may be entrusted to it by the Government;

15. **Samples of Fertilizer or Fertilizer Material: How to be Sent:** - (1) The samples of fertilizer or fertilizer material for testing or analysis in the laboratory shall be sent by registered post in a sealed packet along with a memorandum in *Form-10*, placed in an outer cover to

Government Analyst.

- (2) The packet as well as the outer cover shall be marked with a distinguishing number;
- (3) A copy of the memorandum and the specimen impression of the seal used to seal the packet shall be sent separately by registered post to the Government Analyst.

**16. Condition of seal:** – On receipt of the packet, it shall be opened by an officer authorized in writing in this behalf by the Government Analyst of the Laboratory, who shall record the condition of the seals on the packet.

**17. Report of result:** – (1) After testing or analysis, the report of the result of test or analysis together with full particulars of the test applied shall be supplied forthwith to the sender in *Form-II*.

(2) The report of the test or analysis shall be signed by the Government Analyst of the Laboratory or an officer authorized by him.

**18. Access of information:** – No person other than Government Analyst of the Laboratory or an officer authorized by him shall have access to the information deposited in the laboratory.

**19. Disclosure of information:** – No person or staff of the laboratory shall disclose to any person any information relating to the test, analysis or test report.

Provided that any such information may be disclosed to the extent necessary for the purpose of prosecution under the Act.

#### PART-VII GOVERNMENT ANALYST AND INSPECTOR

**20. Qualification of Government Analyst:** - No person shall be appointed as Government Analyst unless he possesses a Master's degree in Agricultural Chemistry or Soil Science with at least 5 years' experience in chemical analysis or fertilizer material.

**21. Duties of Analyst:** – (1) The Government Analyst shall analyze or test or cause to be analyzed or tested such samples of fertilizers or fertilizer material as may be sent to him by an inspector or any other person under the Act and furnish report of the results of the test or analysis in accordance with these rules.

(2) On receipt of a package of sample for test or analysis, the Government Analyst shall compare the seal on the packet with the specimen impression received separately and note the condition of the seal on the package.

(3) After the test or analysis has been completed the Government Analyst shall forthwith supply the Inspector or person with a report in triplicate in *Form-12* of the results of the test or analysis together with full details of the test methods applied.

- (4) The methods of analysis of fertilizers or fertilizer materials shall be as under:-
- (i) Nitrogen: Digestion, Distillation and Titration by kjeldhal method.
  - (ii) Phosphorous: Yellow color method by Barton solution.

- |       |                 |                          |
|-------|-----------------|--------------------------|
| (iii) | Potassium:      | Flame photometer method. |
| (iv)  | Micronutrients: | by Atomic absorption     |
| (v)   | Boron           | Hot Plate Method         |

Provided that the methods of analysis mentioned above are in conformity with the standards prepared by the Pakistan Standards Institute (PSI) for fertilizers or fertilizer material.

**22. Report of results of test or analysis:** - An application from a purchaser for test or analysis shall be made in *Form-13* and the report of the test or analysis of the fertilizer or fertilizer material made on such application shall be supplied to the applicant in *Form-14*.

**23. Fees:** - The fee for the test or analysis of a fertilizer or fertilizer material shall be (10) ten thousand rupees per test paid by the dealer, seller or retailer.

**24. Duties of Inspector:** - An Inspector may within the local limits of the area for which he is appointed.

(1) Inspect any premises wherein fertilizer(s) or fertilizer material is being stored, stocked, soled or exhibited for sale or is being distributed and all relevant records and registers relating thereto; or:

(2) Take sample of fertilizer or fertilizer material which is being sold or stocked or exhibited for sale or is being distributed and forwarded it for test or analysis in accordance with these rules:

Provided that a sample shall not exceed one and a half kilograms/liters in quantity or in the presence of such a person (unless he willfully absents himself), shall make three samples (portions) each weighing 500 grams/milliliters and effectively seal and suitably mark the sample and permit such person to add his own seal and mark to all or any other portions so sealed and marked.

Of the three samples, one sample effectively sealed and properly marked is to be sent to the designated fertilizer testing laboratory. The second sample be sent to the Registrar and the third sample to be kept with the person from whose possession the sample was taken. The standard procedure for taking sample is the one adopted by the Association of Analytical Chemists (AOAC) mentions: -

- (i) Sampling of at least 10% of the bags in stock with an especially designed slotted single tube probe diagonally inserted to the other corner after rolling over bag twice or thrice and then placing horizontally;
- (ii) Sampling each bag if the lot is less than ten bags;
- (iii) Mixing entire sample, sealing and sending to the laboratory;

(3) Enter and search, at all reasonable times, with such assistance, if any he may consider necessary, any building, vessel or place, in which he has reason to believe from personal knowledge or from information given by any person and take down in writing that an offence under the act or these rules has been or is being committed.

(4) Seize such fertilizer or fertilizer material and all other articles, including registers, cash memos, invoices, bills which he has reason to believe may furnish evidence of the committing of an offence punishable under the Act including overpricing or hoarding:

(5) Any fertilizer or fertilizer material seized can be kept or stored in the building or place, where it was seized or can be removed to any other place.

25. **Form of intimation of purpose of taking sample.** – Where an Inspector takes a sample for the purpose of test or analysis, he shall intimate such purpose in writing in *Form-15*, to the Registered Fertilizer Business from whom he takes it.

26. **Prohibition of disclosure of information.** – Except for the purpose of official business or when required by a court of law, an Inspector shall not without the sanction in writing of his superior, disclose to any person any information acquired by him in the course of his official duties.

27. **Form of Receipt for seized Stock.** – A receipt by an Inspector for the stock of fertilizer or fertilizer material seized by him shall be issued in *Form-16*.

BY ORDER OF  
GOVERNOR BALOCHISTAN

The Chief Controller,  
Printing and Stationary Department, Balochistan, Quetta  
for publication and provision of \_\_\_\_\_ copies of the  
Gazette Notification.

SCHEDULE

FROM-1  
[Sec Rule 2(2)]

APPLICATION FOR REGISTRATION OF BRAND OF FERTILIZER, TO  
MANUFACTURE, SELL, OFFER FOR SALE, HOLD IN STOCK FOR SALE OR  
ADVERTISE

1. Name of the Company \_\_\_\_\_
2. Address of the Company \_\_\_\_\_
3. Legal Status of the Firm \_\_\_\_\_  
(SECP or Registrar of Firms in case of International Firm registration from relevant)
4. NIC of Owner of Company \_\_\_\_\_
5. Name of Banker with Account Number \_\_\_\_\_
6. Storage Facility(ies) with description(s), location(s) and GPS Coordinates  
\_\_\_\_\_  
\_\_\_\_\_
7. Brand Name of Fertilizer \_\_\_\_\_
8. National Tax number \_\_\_\_\_
9. General Sales Tax Number \_\_\_\_\_
10. Specification of the Fertilizer
  - (a) Minimum and Maximum active ingredients content & w/w or w/v  
\_\_\_\_\_
  - (b) Inert materials/solvent/stabilizer content in % w/w  
\_\_\_\_\_
  - (c) Maximum content of heavy metals  
\_\_\_\_\_
  - (i) Physical state
  - (ii) Color
  - (iii) Odor
  - (iv) pH
  - (v) specific gravity
  - (vi) shelf life

11. Storage Stability

12. Use of the Product

- (i) Crops / Plant on which recommended
- (ii) Rate of Application
- (iii) Time of application
- (iv) Method of application
- (v) No. of applications

13. Efficiency

Primary evaluation data using harmonize method and reported in systematically presented complete dossier.

14. Health Hazards / Toxicity Data

- (i) Skin irritation
- (ii) Eye irritation
- (iii) Swallowing
- (iv) First-Aid Measure/Treatment of Poisoning

15. Labeling and direction for use

(Please attach a specimen label indicating rate, method and time of application along with direction for use and date of expiry)

16. Manufacturing /Quality Control Facility

- (a) Manufacturing: List of Machinery and Technical Staff.
- (b) Quality Control Lab: detail of lab and ISO 17025 Certification (List of equipment be provided)

17. Precautionary Measures

(Please give detail)

18. Maximum Retail Price

19. Registration Fee

(Demand draft of Rs. 100,000/- (One hundred thousand) in favor of Director General Agriculture Extension /Director Agriculture Extension Soil Fertility Balochistan. The amount will be in advance and non-refundable).

20. Samples (in quantities required by the department as per type of fertilizer/fertilizer material)

(I do hereby apply for registration of brand of fertilizer / fertilizer material particulars of which are given in the above form and attached documents and certify that these particulars, to the best of my knowledge are true.)

Date: \_\_\_\_\_

\_\_\_\_\_  
(Signature of the Applicant)

**FORM-2**  
**{See Rule 3(2)}**

**REGISTRATION OF FERTILIZER BUSINESS**

This document certifies that the following brand of Fertilizer / Fertilizer Material being manufactured by M/S \_\_\_\_\_;

Address \_\_\_\_\_

has been registered by the Department of Agriculture Extension Balochistan under section 4&5(iv) of Balochistan Fertilizer Control Act-2022.

1. Fertilizer /Fertilizer material: \_\_\_\_\_
2. Chemical Composition: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
3. Registration No: \_\_\_\_\_
4. <sup>1</sup>Date of Issue: - \_\_\_\_\_

**REGISTRAR**

**SEAL**

\_\_\_\_\_  
<sup>1</sup> Note: This registration is valid for a period of 5 years

**FORM-3**  
**[See Rule 3(3)]**

**APPLICATION FOR RENEWAL OF REGISTRATION OF FERTILIZER  
/FERTILIZER MATERIAL**

1.	Name of Manufacturer/Distributor/ Importer	
2.	Fertilizer / Fertilizer Material	
3.	Registration No. and Date of Registration	
4.	Chemical Composition (Attach test reports from recognized laboratory)	
5.	Detail of Changes made if any since first registration/(____)Renewal:	

I (we) do hereby apply for renewal of registration of Fertilizer/Fertilizer material under section 4 & 5(4) of Balochistan Fertilizer Control Act, 2022 as per above given parameters. I (we) do certify that no change has been made in the composition, brand name, labeling, manufacturing etc. since registration / (\_\_\_\_) Renewal, except mentioned in item.5 above.

**SIGNATURE AND SEAL OF COMPANY**

Dated: \_\_\_\_\_

**FORM-4**  
[Sec Rule 4(1)]

**APPLICATION FOR REGISTRATION OF FERTILIZER BUSINESS BY A  
PERSON OR SOLE ENTERPRISE TO SELL, STORE/STWOCK AND  
DISTRIBUTION OF FERTILIZER AND FERTILIZER MATERIAL**

1.	Name of Applicant	
2.	Father's Name	
3.	Name of Business	
4.	Address of business	
5.	Telephone Number	
6.	Dealership Certificate (Company Name/Number)	
7.	NIN Number	
8.	Legal Status of Business	
9.	Name of Bank with Account No.	
10.	No. and Date of Fee Challan	
11.	Storage facility (ies) with structure(s), location(s), Storage capacity, GPS Coordinates	

I do hereby apply for the Registration of Fertilizer Business as person, corporation, partnership, sole proprietorship, joint venture, or any other legal entity for sale, storage/stocking and distribution of fertilizer and fertilizer material. My /Our particulars which are given above are correct to the best of my knowledge and belief. I undertake to abide by Balochistan Fertilizer Control Act 2022 & rules 2025.

**SIGNATURE OF THE APPLICANT**

Date: \_\_\_\_\_

**FORM-5**  
[See Rule 4 (2)]

**REGISTRATION OF FERTILIZER BUSINESS FOR  
PERSON, CORPORATION, PARTNERSHIP, SOLE  
PROPRIETORSHIP, JOINT VENTURE, OR ANY OTHER  
LEGAL ENTITY FOR SALE, STORAGE/STOCKING AND  
DISTRIBUTION OF FERTILIZER AND FERTILIZER  
MATERIAL**

Registration of Fertilizer Business No. \_\_\_\_\_

Certified that the person whose particulars are given below has been issued a Registration of Fertilizer Business as person, corporation, partnership, sole proprietorship, joint venture, or any other legal entity for sale, storage/stocking and distribution of fertilizer and fertilizer material.

1.	Name	
2.	Father's Name	
3.	Name of Business	
4.	NTN /GST Number	
5.	CNIC Number	
6.	Date of Issue	

**8. Allocated Quota per season: -**

S. No.	Name/Brand of Fertilizer with chemical composition	Quantity in Metric Tons
Kharif		
Rabi
